VALLEYPALOOZA COMPLETES CONSTRUCTION OF NEW HOME FOR FAMILY
"We never gave up..."

Valley Park, MO –ValleyPalooza Organization and the Board of Directors is excited to announce the completion of a brand new home for Gail Hilderbrand and her family.

ValleyPalooza Organization received a referral from a local resident for a "Neighbor in Need," Gail Hilderbrand and her family. Gail is a single mom, raising a severely disabled son and caring for her elderly mother full time. Jason, Gail's son is confined to a bed and since the bedrooms were located on the second floor, Jason was cared for in the living room. Gail had been sleeping on the couch for many years to be near her son because of his medical needs. She had no heating or cooling when we received the referral. Over the years, her house had been ravaged by floods and neglect and in September of 2011, her house burned to the ground. In a matter of minutes, Gail Hilderbrand's life was turned upside down from the devastation of a house fire. Despite a quick response from many firefighters and other emergency responders, her home was completely destroyed by a fast moving fire. Thankful that no one was hurt, Gail was then left without a home for her family.

"My parents taught me to work hard for the things I believe in, give what I can, and to never give up. This house we built for Gail and her family is something we did believe in, worked really hard for and never gave up on," stated Jenn Vanelli, Co-Founder of ValleyPalooza, "It took us longer than we would have liked it to and we ran into some roadblocks but we persevered in the end. We were determined to help Gail and her family get back into a home they could call their own and we were not giving up until it was finished."

Weekends Only Furniture Outlet and VIP Corporate Housing have partnered with us by providing all the furniture and interior accessories to help make it look and feel like a home for Gail and her family. The full scale re-build of the Hildebrand home today is designed to finally give the family a better quality of life. The Hilderbrands move in date is set for the weekend of May 30th with a surprise unveiling on Friday May 30th at 3:00pm.
